

New York Quarterly Meeting  
Religious Society of Friends  
**Relief Committee Application**

The Relief Committee of the NYQM grants funds to help members and attenders through financial difficulties. We cannot distribute funds for business purposes, speculation, or education. The maximum amount given by the Committee is \$5000.

To help us best fulfill all requests, we ask that members and attenders who receive funds from the Relief Committee wait until the new calendar year before reapplying.

Need relief? Send a brief letter or e-mail requesting assistance or complete this application. If this is not possible, a member of the applicant's Pastoral Care or other committee taking care of pastoral functions may submit on behalf of a member or attender. Please tell us the following:
